Rob bursts into tears. Karmyn looks surprised and then
regains her composure.

KARMYN SUTRA

Save your tears, Rob, you
weren't crying when you tried to
kill me, now tell me what you
were doing.

ROB

(weeping gently)

I was doing it for my kids. I got this phone call one day and the person on the other end said that they would give me a large sum of money if I helped them.

KARMYN SUTRA

Help them do what? Kill me?

ROB

They promised me that no one would get hurt. All I had to do was grease the platform. And steal a few folders. I didn't think it was that big of a deal.

KARMYN SUTRA

Who is they?

ROB

ROB

I'll cooperate, I'll cooperate, just don't turn me in.

KARMYN SUTRA

Get out! Just remember I have my E-Y-E on Y-O-U.

Rob leaves Karmyn's office.
