

SCRIPT V

INT. KARMYN'S APT. - 8PM

Karmyn's phone rings, it's Madame Leo.

MADAME LEO (V.O.)

I'm on my way we need to talk.

KARMYN SUTRA

Come on over, I'll make dinner.

Karmyn hangs up the phone and starts to make dinner while watching television again.

The phone rings again. Karmyn checks the caller ID, it reads Lewisse Roberts. Karmyn answers.

KARMYN SUTRA

Yes Lewisse.

LEWISSE (V.O.)

Sorry to bother you at home
Mystress but I am your
accountant and I think we really
need to do something about this
corporate espionage. It's
making our stock plummet.

KARMYN SUTRA

I'm taking care of it Lewisse.

LEWISSE

Ok, but if you need anything..

KARMYN SUTRA

I'll call you, goodnight.

Karmyn hangs up the phone.

KARMYN SUTRA

(muttering)

Why do they keep telling me
these things like I don't
already know? I told them last

week I was taking care of it.
Get on my damn nerves.

The doorbell rings. Karmyn goes to the door and Madame Leo enters.

KARMYN SUTRA

Dinner's almost ready, have a seat

MADAME LEO

I know you didn't want to talk about it the other night, but I want to talk about Damon.

KARMYN SUTRA

What is it?

MADAME LEO

It's that girl he's seeing, Maureen...Lauryn...

KARMYN SUTRA

Aneeda?

MADAME LEO

Aneeda, yes that's it. How'd you know?

KARMYN SUTRA

I met the skinny bitch today, she was not very pleasant, how'd he get hooked up with her?

Karmyn begins to serve dinner, smothered pork chops and mashed potatoes.

MADAME LEO

I'm not sure, I think she drugged him, they've only been dating for a few weeks, but I get a very bad vibe off of her, she shifty and I don't trust her.

KARMYN SUTRA

Where did you meet Damon?

MADAME LEO

He's my godson; his mother and I were best friends before she was killed. I promised her on her deathbed that I would take care of him, and that's what I'm doing, but that damned Aneeda girl is bad news.

Karmyn sits and her and Madame Leo begin to eat.

KARMYN SUTRA

I could see that, I don't trust the bitch either, and she's a competitor in the latex industry.

MADAME LEO

A competitor? Do you think she could be behind the problems at your company?

KARMYN SUTRA

Aneeda? I don't think she's that competitive. But I know how to find out.

INT. KARMYN'S OFFICE - 9AM

Rob is in Karmyn's office again, this time looking very scared.

ROB

Mystress I don't know if I can do it, you know I screw up everything.

KARMYN SUTRA

You can do it, all you have to do is tell them you want to speak to the boss, and that you want to meet at the docks on Friday, and that you'll really need the money and that you won't fail them this time. We'll be close-by listening in. The

wire is untraceable. So even if they do a sweep they won't detect anything.

ROB

Ok, I'll do it, just don't call the police, nothing like this will ever happen again.

KARMYN SUTRA

I know, if it does you're going to have a bigger problem than the police. You should have come to me before you took their offer.

ROB

I'm sorry I betrayed you, it won't happen again Skipper, I mean Mystress.

KARMYN SUTRA

If it does, you'll be very, very sorry. Now get going.

Rob leaves her office.
