EXT. THE DOCKS - CONTINUOUS

The three people get in their BMW and leave, Rob/Bob is still standing there, very pale. Karmyn drives the van over to where he is. He gets in.

INT. SPY VAN - CONTINUOUS

ROB/BOB

So I guess you know now.

KARMYN SUTRA

Yes, we know, don't worry your secret is safe with us, and when I find out who those three are, they won't tell anyone either.

ROB/BOB

Thank you, I really appreciate this.

KARMYN SUTRA

No, thank you.

INT. DARKROOM - 1 HOUR LATER

Karmyn and Madame Leo are hovering over the photographs waiting for them to develop.

KARMYN SUTRA

A little longer and we'll have the little bastard, and they'll be sorry they messed with me.

MADAME LEO

Yes, they will.

The photographs slowly come into focus, the faces in the first three photographs can't be made out, but in the fourth picture Aneeda Dylldo's face is very clear.

KARMYN SUTRA

That little bitch, I'm going to kick her ass. And it won't be at all pleasurable.

MADAME LEO

Damon sure won't be pleased to find out that his new girlfriend is a thief and an attempted murderess.

Karmyn winks.

KARMYN SUTRA

Don't worry, I'll be there to comfort him. But right now we need to find this bitch and take care of her. I looked up her address, let's go.

EXT. ANEEDA DYLLDO'S HOME - CONTINUOUS

Karmyn and Madame Leo pull up outside of a nice looking house in the heart of the city. There's a Land Rover with a plate on the front that says DAMON. The front door is cracked open.

INT. ANEEDA DYLLDO'S HOME - CONTINUOUS

We see a panel of television screens some showing different angles of Madame Leo and Karmyn outside of the house. The camera pans the room and Aneeda is not there.

INT. ANEEDA DYLLDO'S HOME - CONTINUOUS

Karmyn and Madame Leo are walking slowly down the hall, suddenly Aneeda steps out of an adjoining hall with a knife to Damon's neck.

ANEEDA DYLLDO

One more step and I'll slit his throat.

Karmyn begins to take off her earrings and pulls her Afro up into a bun.

KARMYN SUTRA

Go ahead, either way you better stick ya damn self when you're done cuz I'm going to kick your ass.

Damon looks hurt. Aneeda looks thrown off. Karmyn takes this chance to kick the knife out of her hand. Damon ducks when the knife moves, hits the floor and rolls out of the way. Aneeda begins to contort herself around Karmyn, Karmyn looks confused.

KARMYN SUTRA

What the fuck!?

Karmyn tries to fight against her human restraint, but to no avail. She grabs Aneeda by the hair and pulls vigorously. She lunges forward and rolls her weight over Aneeda. This loosens her grip enough for Karmyn to get loose; she flips Aneeda over and pins her to the ground, taking care to avoid getting wrapped up again.

ANEEDA DYLLDO

Get off me! You're going to pay for this.

KARMYN SUTRA

Oh, trust me sweetie, you're going to be the one that's sorry.

Karmyn whips out a coil of latex rope and begins to tie Aneeda up.

KARMYN SUTRA

Madame Leo, call the police, tell them to come and get their trash.

Madame Leo pulls out her cell phone and begins to dial. Aneeda is still struggling; Karmyn punches Aneeda in the face and knocks her out. The faint sound of sirens is in the background getting louder.

EXT. ANEEDA DYLLDO'S HOME - CONTINUOUS

Madame Leo, Damon and Karmyn are giving their reports to the police.

EXT. ANEEDA DYLLDO'S HOME - 20 MIN LATER

KARMYN SUTRA

Damon you don't look too good, it must be the shock, I don't think you should be driving, we can come back and pick up your car tomorrow.

DAMON

Thanks.

INT. KARMYN'S CAR - CONTINUOUS

The ride in silence for a few minutes. Then...

DAMON

I can't believe I fell for her. I'm glad I saw the light before it was too late, I came over her right after work to break up with Aneeda, right after I told her an alarm sounded, and she ran out of the room, I didn't know what was going on, when she came back in she grabbed me and showed me the knife, I was going to wrestle it from her, but I didn't want to get cut.

KARMYN SUTRA

I definitely agree with the bad taste part, but it's not your fault, you just need a real woman.

Karmyn winks at Damon.

DAMON

Maybe my luck has changed.

KARMYN SUTRA

Yeah, well try to stay out of trouble, I've had to rescue two times in less than a week, I may have to tie you up somewhere.

DAMON

I might like that.

Karmyn drives past a Denny's.

KARMYN SUTRA

Anyone hungry? A good ass kicking always works up my appetite.

DAMON

I'm ravenous. I haven't eaten since lunch.

MADAME LEO

I ate already so you can drop me off.

Damon and Karmyn look at each other and smile.

DAMON

My place or yours?

Karmyn smiles slyly.

KARMYN SUTRA

Mine. Do you like spankings? I mean pancakes?

DAMON

Yes.

Damon winks.

Madame Leo rolls her eyes and makes gagging noises.

EXT. MADAME LEO'S APT - CONTINUOUS

Karmyn pulls up to Madame Leo's apartment. Madame Leo exits the car and leans into the window.

MADAME LEO

Don't hurt yourselves...too much.

Damon and Karmyn giggle as Karmyn pulls off.
